Greetings District 30 Community!

It is with great honor and pride that I re-join the District 30 family as Interim Acting Superintendent and officially introduce myself to the greater community. I consider it a true privilege to have been placed as your new I.A. Superintendent, and I want you to know that I couldn't be more excited to be here and to have the opportunity to work with all of you.

Our goal in District 30 is to build and strengthen our groundwork around the cornerstone of our Chancellor's Four Pillars; Reimagining the student experience, Sustaining and restoring what works, Prioritizing Wellness and its link to student success; and empowering families to be our true partners, through a collaborative culture, dedicated to always working in the best interest of our students. I believe in my core, that ALL students can succeed at a high level, and I am committed to working with H.E.A.R.T (Honesty, Excellence, Accountability, Respect & Teamwork) to provide principals and leaders with the support and resources necessary for that to occur. As leaders, you are, and continue to be, instrumental in reaching our shared goal of excellence for our students and community.

While serving as your I.A. Superintendent, I plan to be accessible to all stakeholders and maintain an open-door communication policy. I encourage and welcome any questions, comments or concerns you have about our schools and can be reached directly at lhidalgo@schools.nyc.gov.

It is a privilege and honor to serve all of you. I look forward to continuing to strengthen the partnerships with you, our families and community.

In Partnership,

Ms. L. Hidalgo
I.A. Community Superintendent
